DR Roofing in Lymm are the leading Roofing Company
Anything from roof repairs through to new roof installs

Dr Roofing based in Lymm, are the areas leading roof specialists, offering roof repairs of the highest quality. Whatever your roofing problem don't hesitate to give us a call whether there are cracks or leaks we can help.

We will offer you a no obligation inspection so that we are able to evaluate the damage and the extent of it, we will then give you a fully written quote for the work that needs carrying out so that you can be completely aware of exactly what you would be paying for, whether its replacing a few damaged tiles to installing a whole new roof. The quote we give you could also be used as an insurance quote if that is a route you wish to take.

Dr Roofing can provide you with fantastic results in all areas of roofing work, working with slate, tile and flat roofs for 30 years in the Lymm area, we have an excellent knowledge of roofs providing you with the highest standard of work we possibly can. When it comes to repairing flat roofs, it is generally not just a simple repair but usually results in a full new roof, we will need to establish as to why the roof is no longer water tight and then reseal the entire surface.

Another service we provide in Lymm is extensive lead repair, we offer repair service to any lead work, flashing and lead roofing, so if its a bay roof, canopy or a leaky chimney stack, being the leading experts in roof repairs in Lymm make sure you give us a call to ensure that your roofing repair is done to the highest standard.

We work hard to ensure that we hold on to our fantastic reputation that we have worked for 30 years to achieve and do everything we can to make sure we maintain it, every roof repair we do in Lymm is done to the highest standard possible, and with all roof repairs comes our watertight Dr Roofing guarantee that lasts for up to 10 years.
